

FACTS ABOUT BETAH ASSOCIATES, INC.

BETAH Associates, Inc. (BETAH) is an award-winning professional services firm dedicated to creating positive change for our clients and communities nationwide through innovative management, communications and service excellence.

Small Woman-Owned Business

BETAH is a woman-owned small business founded in 1988. Our corporate headquarters is located in Bethesda, MD, and BETAH staff work at client sites throughout the Washington, DC metro area, Baltimore, MD and Patuxent River, MD.

Company With Values

The name BETAH is a term from the Old Testament that signifies trust and confidence. Our goal is to instill in our clients, our employees, our partners and the community where we work and live, a sense of trust that we are fair, decisive, and socially responsible. Our mission is to serve and satisfy our clients by building trust, competence and commitment, emphasizing quality and the continuous pursuit of excellence.

Great Place to Work

BETAH is an employee-oriented company. We strive for a balance between personal and professional fulfillment. We work hard to create an environment that fully utilizes the talents and capabilities of all of our employees, and we embrace the richer, broader perspective that diverse individuals bring to the workplace. We are continuously reviewing and improving the benefits we can offer our employees. Our focus is on maximizing our employees' competencies, involvement and satisfaction with the company.

INC 500 Company

In 2000, BETAH was selected for the elite Inc. 500 list of America's fastest growing privately held companies. We have received numerous awards and recognition from our clients for outstanding performance.

15 Years of Solid Performance

BETAH has a solid 15 year history of financial stability and integrity. We have exceptional past performance records with our clients, and we are constantly striving to achieve 100% customer satisfaction ratings. BETAH's experienced corporate staff are committed to working closely with our onsite management teams to ensure that all required resources, management tools and technology are available to ensure project success.

Broad Client Base

BETAH customers include the Department of the Navy, Department of Health and Human Services, National Institutes of Health, Health Resources and Services Administration, Department of Veterans Affairs, Department of Housing and Urban Development, Department of Labor, Federal Emergency Management Agency, National Science Foundation, U.S. Small Business Administration, and Defense Mapping Agency.
